Scuttlebutt...

Patty Ady is a grandma! Her daughter Taja had a baby boy, Mason Wyatt Akstin, on September 18, 2018 in Georgia. Patty went to spend some time with them and we can't wait to hear about her trip. Maybe she can bring back some of that new baby smell for us...

Welcome, Sana Alimohamed and Evan McKenon! They are in Sitka for a year through AmeriCorps. They are employed out in the community, but will be staying in the building for the year. They will enjoy their meals here and spend some time each month volunteering in the Home as well. We look forward to getting to know them and teaching them about what it means to live in Sitka!

National Assisted Living Week 2018

'Capture the Moment'

The week was full of fun, education, and reflection!

Monday, we learned the history of photography and a few terms used in the trade. Tuesday, we enjoyed Jack's 'SE AK Canoe Adventures' Slideshow. Wednesday, Steve Lawrie gave a presentation about his painted portraits and

held a photo shoot for everyone to take a turns as the model and/or the photographer. Thursday, we shared stories about

important moments in our lives. Friday was 'The Big Reveal!' We recapped on all of the weeks' events and shared our favorite parts as well as the fruits of our labor from the photo shoot! Photo credit: Jack Hermle

THANK YOU!!!

Cory made waffles one day on Ocean View. What a treat! Thank you, Cory!

Becky set up vases with berry bush trimmings on the neighborhood dining tables. It was fun to see the fresh berries and taste them too! Thank you, Becky!

Allen Marine Tours took SPH residents, staff, and guests on a wonderful trip around Sitka Sound. We started off on a North bound trip through the channel toward Middle Island, around the outside and along Kasiana Island, then back through the channel. We then took a South Bound trip toward Aleukina Bay where we saw many seine boats at work. The Captain, crew, and accommodations on the boat were great. Thank you, Allen Marine, for the opportunity to get out on the boat with our friends. Each year, the many smiling faces that head down the ramp and onto the vessel manage to leave it with an even brighter grin. Thank you for making this possible for the Pioneers each year!

An outing to the Fortress of the Bear this month came with rain in the forecast. We were prepared with ponchos and umbrellas. The sprinkle didn't let up, but most were not held back by that at all. Up the ramp to a covered area, the staff of the facility educated us about each bear. Even the new baby brown bears, Nikiski and Nuka, seemed to listen as they were perched on a tall mound of dirt. The adult brownies enjoyed the pool and only paid attention to us when they were thrown some food! The black bears, Bandit and Tuli Aan, came around to see their guests, but Smokey remained hidden in the brush. Thank you, Fortress of the Bear staff for teaching us about your fuzzy friends!

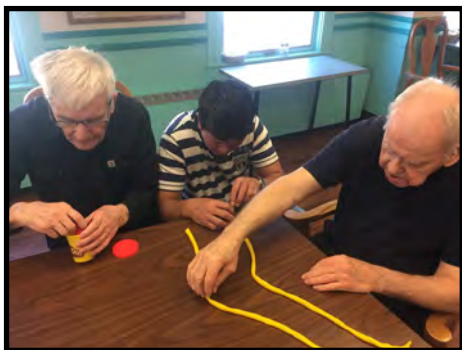

We are looking forward to the new enclosed Visitors' Center building (with lower level viewing!). We will see you again after hibernation.

Jacobo Daponte, a Colombian artist, made a very nice presentation about his art and the inspiration behind it regarding the evolution of Vallenato music and its influence on Gabriel Garcia Marquez, the author of 100 Years of Solitude. Thank you for taking the time to do this spontaneous presentation for us!

Darla Anderson brought in a large donation of art/craft supplies, greeting cards, etc. Thank you! We are happy to stock the craft room cabinets with these items.

What a wild month! There was sunshine for nearly 3 straight weeks. We took every opportunity to get outside. There was dancing and visiting, playing, and lots of smiling! Farewell Summer, we will see you next year!
