

New Monthly Rates for the Alaska Pioneer Homes

Effective January 1, 2022

In April 2020, Governor Dunleavy signed House Bill 96 into law. A component of this bill includes a yearly requirement for the Department of Health and Social Services to adjust the set monthly rates to reflect the annual federal Social Security Cost of Living increase.

As such, effective January 1, 2022 the new monthly rates will be increasing by 5.9% to the following:

Level I: \$3,182

Level II: \$5,788

Level III: \$8,382

Level IV: \$10,012

Level V: remain \$15,000

The Division of Alaska Pioneer Homes offers assistance to residents who are unable to pay the full monthly amount, through a service known as the Payment Assistance Program. For those residents who are part of the Payment Assistance Program, rates are based on a resident's income.
